

23 May 1958

Dear [REDACTED]

It is with sincere regret that I learn that you are leaving the Agency after some five years service, including nearly four years in my office on the staff of the Inspector General. I would like to take this occasion to express my appreciation for the fine work that you have done while with the Agency, and to extend to you my very best wishes for a happy married life.

Sincerely,

Allen W. Dulles
Director
